The President's Message

Dear Members,

"Christmas is not as much about opening our presents as opening our hearts."

As we begin this Christmas Season, let's appreciate the blessings the Almighty has showered on us and our families.

To you my Dear Members, Thank you for your unwavering support, love and faith in electing me as President and The Transformation team once again. I am truly humbled and grateful by the faith reposed by you in me. It has been my endeavour to do my best keeping the interest of the institution and upholding the vision of our Founding fathers.

We all are thankful for The Bandra Gymkhana which has become a space we can call our home. The pleasant ambience and warmth of the newly upgraded facilities and sections welcomes us all.

We constantly strive to excel whenever suggestions are made by you my dear members.

A Special Thank You to our Trustees, Managing Committee and Sub- committee Members, for their dedication as they continue to commit endless hours of time ensuring the smooth governance and success of all our sections & events.

I would like to take this opportunity to also thank our Bandra Gymkhana Staff for their loyalty and commitment to the Institution.

On behalf of the Trustees, the Managing Committee Members and the Staff of the Bandra Gymkhana, I take this opportunity to wish you and your loved ones A Joyous Christmas and a Healthy Prosperous New Year 2024.

"Christmas is the spirit of giving without a thought of getting. It is happiness because we see joy in people. It is forgetting ourselves and finding time for others. It's discarding the meaningless and stressing the true values."

God bless !

Cheryl Misquitta

The Message of the Hon. General Secretary

Dear Members,

Its Christmas time... Its that time of the year !! It is the loveliest of seasons and may you find many reasons for happiness. Merry Christmas and lots of Love from our family to yours!

"One of the nice things about Christmas is that you can make people forget the past with a 'Present'", let this Present be all about forgiving, caring and spreading the message of peace.

I thank each one of you for being a pillar to this managing committee, for without you all, this so called journey would have been way too difficult to tread on.

I always find it hard to express myself on the immense work, the support teams contribute to taking the standards to higher levels. I stand humble and grateful to each one of you.

A big thank you to the President, the Managing committee members and the Trustees for steadfastly pursuing higher goals, sacrificing so much time and effort in moving towards 'The Dream'.

In these times of enjoyment please do say a prayer for all those who have sacrificed so much in their service to our beloved country, their sacrifice is what gives us the liberty to enjoy our lovely moments.

As lovely as the holidays can be, they can also make people feel low and stressed. I know this can be a difficult time of the year, and I want you to know that you're not alone. Sending you our warmest seasons greetings and lots of love.

I hope that the holiday season ends the present year on a cheerful note. May it make way for a fresh and bright New Year. Merry Christmas to you and your family!

With Warm Regards,

Glenn Athaide

Hon. General Secretary
